The website includes our membership listings, which contain member profiles and detailed business description. Event information is also posted on the Chamber website. We are continually working on the site to make it a resource for information on our members and island.

Newsletter – The Chamber newsletter is a resource for Chamber members to promote their businesses to fellow members and for the Chamber to update our membership on activities and relevant business information. The newsletter is produced periodically and is sent to members through e-mail (a hard copy can be provided if requested). Members are encouraged to advise the Chamber of changes in their business, such as new lines of business, promotions, relocation, milestones, so that they can be announced to our membership. Members who would like to be featured in either the newsletter or website (or both) can contact the Chamber at 423-3650 or info@jamestownRIchamber.com.

Networking - Each month a local business hosts a casual atmosphere Chamber "After Hours" get-together for members to meet with one another and exchange business ideas, referrals and news about our community. The meetings are held at various locations throughout Jamestown and are a great opportunity for you to showcase your business to fellow members. Members are encouraged to consider hosting an After Hours.

Chamber Chatter – Each month, *The Jamestown Press* features a column written by the current Chamber President. This article features information on upcoming events and activities and is a great way to let our community know what the Chamber is doing.

Jamestown Representation – The Chamber takes an active role with Jamestown Town Government. Member input is solicited so the Chamber can properly present business concerns and issues to the Planning and Zoning Commissions. The Chamber has a "Government Liaison" to ensure that interests of Chamber members are communicated to the Town. The Town's planning and zoning ordinances are in the process of being reviewed and rewritten, and the Chamber has taken an active role in the process and decisions that will be made.

Chamber Check Program – The Chamber issues "Chamber Checks" that are available for purchase at Baker's Pharmacy, Conanicut Marine Ship's Store, Grapes & Gourmet, and Jamestown Hardware. Members have the option to accept Chamber Checks as payment for goods or services and are then reimbursed dollar for dollar for checks submitted back to the Chamber. Reimbursements are typically issued within one week of receipt. Participating businesses are included in promotions done for the Chamber Check program. For the past 3 years, the Chamber has sold over \$5,000 Chamber Checks each year – this is money that can only be spent with participating businesses so why not participate.

Downtown Visibility – The Chamber has an “official” downtown location for visitors and tourists to obtain Chamber brochures, maps and member information at East Bay Bed & Breakfast, 14 Union Street. Members can put business cards or flyers in a space open to the public.
